DETAILED ACTION

Response to Amendment

Applicant has amended claim 1, cancelled claims 8-13 and added new claims 14-16.

Ex Parte Quayle

This application is in condition for allowance except for the following formal matters:

- Drawing Objections.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Drawings

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(4) because reference characters "37" and "38" have both been used to designate flat cable wire (compare Fig. 1 and 3; in Fig. 1, 38 designates the flat cable wire, whereas in Fig. 3, 37 designates the same element). Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the

applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.
